U Can Shine in Mosborough Review

Hey guys my name is Dominic Grant. My school is Mosborough Primary.

Before U Can Shine I was a very naughty kid who was incapable of putting my hand up to answer questions and was always calling out. For the first few weeks I gradually got better and when it left I started going back to my old ways.

At home I was a complete nightmare to my mum and sisters because I kept going on and arguing and messing around with them.

Now after U Can Shine I am more resilient with my work and with what I do. ~~like, work.~~ I LOVE U CAN SHINE!

7, 8, 9, U Can shine, 8, 9, 10, Do it again.
